Narrative: states she and her service dog were denied entry to the bldg
spoke with com/stephanie schmelzer, who said she purchased
the service dog coat off the internet. she claims the dog
is theraputic. this does not fall into the service dog
law category. i looked up the dog law on the internet,
955.43 that specifically states how a dog should be
licensed and what kind of person can legitimately use a
licensed/trained dog for entry into any establishment.
stephanie does not fall into this criteria and she was not
happy with my law research.
